ATTORNEYS AT LAW
Immigration and Nationality Law Practice

Government Notice 25 May 2009

SPECIFIC PROFESSIONAL CATEGORIES AND SPECIFIC OCCUPATIONAL CLASSES

Every applicant that falls into one of the categories below must also comply with all of the following requirements to qualify in the Quota Category:

1. Proof of formal qualifications evaluated by the South African Qualifications Authority
2. Registration with relevant professional body where applicable (listed with each category below)
3. At least 5 years relevant experience

<u>1. Information and organisation professionals</u>	
a. Actuaries and risk assessors	500
Registration with Institute of Internal Auditors SA OR Institute of Risk Management SA	
b. Agricultural economists	500
Registration with Economic Society of SA	
c. Statisticians	500
Registration with SA Council for Natural & Scientific Professions	
d. Economists	500
Registration with Economic Society of SA	

<u>2. Manufacturing and construction engineering professionals</u>	
a. Chemical and materials engineers	200
Registration with Engineering Council of SA	
b. Civil engineers	1000
Registration with Engineering Council of SA	
c. Structural engineers	150
Registration with Engineering Council of SA	
d. Aeronautical engineers	500
Registration with Engineering Council of SA	
e. Aircraft maintenance engineers	500
Registration with Engineering Council of SA	
f. Avionics engineers	250
Registration with Engineering Council of SA	
g. Electrical and electronic engineers	500
Registration with Engineering Council of SA	
h. Industrial engineers	100
Registration with Engineering Council of SA	
i. Mechanical engineers	100

j. Mining engineers	100
Registration with Engineering Council of SA	
k. Quality engineers and inspectors	250
Registration with Engineering Council of SA	
l. Specialist pipe engineering and manufacturing	500
Registration with Engineering Council of SA	

<u>3. Natural and physical science professionals</u>	
a. Astronomers	200
Registration with SA Council for Natural & Scientific Professions	
b. Astrophysicists	200
Registration with SA Council for Natural & Scientific Professions	
c. Atmospheric physicists	200
Registration with SA Council for Natural & Scientific Professions	
d. Space scientists	200
Registration with SA Council for Natural & Scientific Professions	
e. Chemists, analytical chemists and industrial Chemists	100
Registration with SA Council for Natural & Scientific Professions	
f. Agricultural and forestry scientists	500
Registration with SA Council for Natural & Scientific Professions	
g. Bio-engineers and bio-technologists	500
Registration with SA Council for Natural & Scientific Professions	
h. Food technologists	100
Registration with SA Council for Natural & Scientific Professions	
i. Geologists	100
Registration with SA Council for Natural & Scientific Professions	
j. Geophysicists	150
Registration with SA Council for Natural & Scientific Professions	
k. Veterinarians	250
Registration with SA Veterinary Council	

<u>4. Biomedical engineers and technicians</u>	
a. Clinical and biomedical engineers and technologists	5000
Registration with Engineering Council of SA	

<u>5. Health Professionals</u>	
a. Research and development pharmacologists	300
Registration with SA Pharmacy Council OR Health Professions Council of SA	

<u>6. Education professionals</u>	
a. School teachers – Maths, Science, Design and Technology specializations	2000
Registration with SA Council for Educators	
b. Education planners	50
Registration with SA Council for Educators	

<u>7. Agricultural and science technicians</u>	
a. Agricultural science technicians	5000
Registration with SA Council for Natural & Scientific Professions	

<u>8. Science technicians</u>	
a. Earth science technicians	250
Registration with SA Council for Natural & Scientific Professions	
b. Biological science technicians	1000
Registration with SA Council for Natural & Scientific Professions	

<u>9. Building and engineering technicians</u>	
a. Civil engineering draftspersons, technicians and technologists	1500
SA Institute of Draughting	
b. Electrical engineering draftspersons and technicians	500
SA Institute of Draughting	
c. Electronics technicians	250
SA Institute of Draughting	
d. Mechanical engineering draftspersons and technicians	250
SA Institute of Draughting	
e. Hydraulics and pneumatics technicians	250
Chamber of Engineering Technology	
f. Industrial / product development technologists and testers	1000
Registration with SA Council for Natural & Scientific Professions	
g. Autotronics technicians	350
Registration with Engineering Council of SA	
h. Mechatronics technicians	150
Registration with Engineering Council of SA	
i. Aircraft and avionics Technicians including maintenance technicians and aviation specific design and technologies	1000
Registration with SA Civil Aviation Authority	

<u>10. Manufacturing and process technicians</u>	
a. Manufacturing technologists and technicians	150
Registration with Metal & Engineering Industries Bargaining Council	

<u>11. Fabrications engineering trades workers</u>	
a. Sheet metal trades	500
Registration with Metal & Engineering Industries Bargaining Council	
b. Structural steel and welding trades workers (Coded welders)	1500
Registration with SA Institute of Welding	
c. Boilermakers	500
Registration with Metal & Engineering Industries Bargaining Council	

<u>12. Mechanical engineering trades workers</u>	
a. Metal fitters and machinists (mechanical builders)	500
Registration with Metal & Engineering Industries Bargaining Council	
b. Fitter and Turner	500
Registration with Metal & Engineering Industries Bargaining Council	
c. Precision metal trades workers and toolmakers	1500
Registration with Metal & Engineering Industries Bargaining Council	
d. Millwrights and mechatronics trade workers	800
Registration with Metal & Engineering Industries Bargaining Council	

<u>13. Electro-technology and telecommunication trades workers</u>		
a. Electricians		150
Wireman License (Department of Labour) AND Registration with Electric Contractors Association of SA		
<u>14. Jewellers</u>		
a. Jewellery designers		250
Registration with Jewellery Council of SA		
<u>15. Information and communication technology</u>		
a. Network and support professionals		500
Registration with Computer Society SA
